

# TRIZ TRENDS 2018

- *A One Day Summit to Learn, Share and Network*

**John F. Welch Technology Center, Bangalore, INDIA**

**Monday – April 23, 2018**

Following the success of TRIZ-TRENDS 2014 and 2016, we are happy to announce that we are back with TRIZ-TRENDS 2018 which is a summit hosted by **GE India** to explore and share the current practices, applications and evolving trends in the innovation methodology using TRIZ (Russian acronym for Theory of Inventive Problem Solving). This summit will feature Invited talks and a Contributory Poster Session with participation from TRIZ Masters, Experts and Practitioners as well as Innovation thought-leaders from different fields.

The list of speakers, topics and a preliminary agenda will be made available by March 25, 2018.

**Participation & Registration:** Participation is open to Engineers, Scientists, Academicians, Researchers and others interested in practicing and applying TRIZ for Innovation in their respective disciplines on a first-come-first-serve basis limited to a maximum of 50 participants. ***Preference will be given to those who have a background in TRIZ through formal or informal learning / training / certification.***

**REGISTRATION IS FREE BUT MANDATORY.**

To Register please send an email to [vasant.jain@ge.com](mailto:vasant.jain@ge.com) with subject as “TRIZ-TRENDS 2018 Registration” and provide details of Name, Designation, Organization, City, Email ID, Phone and TRIZ relevant certification and experience.

**Poster Session:** Delegates who wish to share their TRIZ related work can do so in the Poster Session. Please indicate your interest in your registration email mentioning the Poster title. More details will be provided later.

**LAST DATE TO REGISTER: April 6, 2018**
